

AMENDMENT TO H.R. 6**OFFERED BY MR. HOLT OF NEW JERSEY**

In title XVI, add at the end the following new section (and amend the table of contents accordingly):

1 **SEC. 1614. STUDY OF FUEL SAVINGS FROM INFORMATION**
2 **TECHNOLOGY FOR TRANSPORTATION.**

3 Not later than 2 years after the date of enactment
4 of this Act, the Secretary of Energy shall, in consultation
5 with the Secretary of Transportation, report to Congress
6 on the potential fuel savings from information technology
7 systems that help businesses and consumers to plan their
8 travel and avoid delays. These systems may include web-
9 based real-time transit information systems, congestion in-
10 formation systems, carpool information systems, parking
11 information systems, freight route management, and traf-
12 fic management systems. The report shall include analysis
13 of fuel savings, analysis of system costs, assessment of
14 local, State, and regional differences in applicability, and
15 evaluation of case studies, best practices, and emerging
16 technologies from both the private and public sector.
